Comprehensive Account Structure | 150 Accounts | Version 2026

About This Document

This document contains a comprehensive **Chart of Accounts (CoA)** structured in compliance with **International Financial Reporting Standards (IFRS)**. It is designed for small and medium enterprises (SMEs) operating in the UAE and GCC region.

The account structure follows IFRS classification with five primary types: **Assets** (1000-1999), **Liabilities** (2000-2999), **Equity** (3000-3599), **Revenue** (4000-4899), and **Expenses** (5000-5999).

How to use: Upload this PDF into EMARA Books via Control Settings → Chart of Accounts → Import IFRS → Upload IFRS Document. The system will automatically extract all 150 accounts.
